2019-2020 Budget Meeting

The Public Budget Meeting was held at 6:30 pm on Monday, January 28, 2019 in the Board Room at the Kelsey School Division Office. While not all of the required information has been received from the government, a Power Point presentation was used to clarify the financial revenues and expenditures of Kelsey School Division over the 2012-17 school years, and compare these to other nearby school divisions and provincial averages.

The requests received by schools and division personnel for improvements to facilities, bus and vehicle replacement schedules were shared, and potential staffing changes noted. Participants were able to provide their views on priorities.

This information is available on the KSD website, and copies of the requests are available at the KSD office.

The next board budget preparation meetings will be held on February 5 and 19. A preliminary budget will be brought to the board by the Finance Committee for discussion of February 11, and again on February 25. The final draft will be Presented for board approval on March 11 before the deadline to submit it to the province of Manitoba.

If you have any questions about the highlights or other business of the Division, call one of the trustees or the Division office. The numbers are posted for your convenience.
