

Meet your KSD school trustees

Amy Hopper - Ward 1

Amy was born and raised in The Pas. She attended schools in The Pas but left for two years to attend and graduated in 1998 from Athol Murray College of Notre Dame in Wilcox SK. Following graduation she attended Keewatin Community College (now University College of the North) in The Pas and completed the two year Computer Programming Course.

In The Pas over the years Amy has been a volunteer on daycare boards, with the Girl Guides, and was an active parent in her daughters' schools and their extracurricular activities.

Amy has been employed with several businesses including The Workplace and Veito Financial. She currently works for Service Canada and has for the past ten years. Having a mother and two sisters as teachers made Amy conscious of the importance and dedication required to deliver quality education. Her experience at The Workplace gave her insight into the needs of diversity and inclusion in our school system. Amy has two daughters who have been in Kelsey School Division from kindergarten. One daughter graduated from Margaret Barbour Collegiate Institute in 2016, and her other daughter currently attends École Scott Bateman Middle School.

Amy has been a school trustee since 2009. Currently she chairs the Education Liaison committee and is a member of two Board committees: Negotiations and Personnel, and Community Liaison. Amy is known as a person who gets involved, not as someone who stands idly by and complains about a situation. She looks for solutions by working with educators, students and tax payers.

Amy notes, "I know that an investment in education is one of the most important investments an individual makes, and I want to ensure that all those who attend KSD obtain the highest return possible."
